WWW.Nationwidefreightsystems.com

Nationwide Freight Systems is a leading Third Party Logistics company located just outside of Chicago, Illinois with hand selected carriers who have formed a strong partnership with us, along with a private fleet of over 30 professional owner operators.

At Nationwide Freight Systems, we strive to provide the highest quality of transportation services at competitive pricing. By relying on hard work, honesty, integrity, creativity and a commitment to excellent customer service, we ensure that our customers are valued at all times.

Anyone can store inventory and send it out on a truck, but here at Nationwide Freight Systems, our highly qualified and experienced employees utilize the latest technology to provide a wide variety of transportation and distribution services. We create unique, customer-driven solutions for all your transportation needs.

Nationwide Freight Systems can handle all your shipping needs large and small.

Direct Door-to-Door Services (No Interline) “Load to Ride”

- Truckloads to and from the US, Canada and Mexico
- Less than a Truckload – LTL
- Expedite Services
- Intermodal
- Flatbeds – Step Decks, Lowboys, Goosenecks and Double Drops
- Local Cartage Services
- Warehouse and Distribution Services

Private Fleet of Trucks

NFS has the power to move your loads with our private fleet of over 30+ professional owner operators and company drivers. If your load is just across town or across the country, NFS will ensure that your freight arrives on time with the high quality of service that you demand.

Third Party Logistics

Are you often left in the dark about where your shipment is, spending your time shopping for the best price? If the answer is YES, then the NFS Logistics Department is your solution. We provide a convenient, single point of contact for all your transportation needs. With our longstanding carrier relationships and warehousing facility, NFS provides the most reliable and efficient solution for your cargo. When customers choose NFS, they know they have made the best choice!

Warehouse and Distribution Services

NFS can handle your warehousing and distribution requirements effectively. With over 40,000 SF located just outside of Chicago, IL our centralized location allows us to offer convenient, affordable storage and distribution for your freight. NFS provides pick and pack, short/long term storage, cross-docking plus sort and segregate services. NFS is your one-stop shop for all your warehousing and distribution needs.

Nationwide Freight Systems has the Power and the Logistics Networks to move a load across town or across the country. When you put your transportation needs in our hands you know that the Commitment, Integrity, Trust, Honesty, and Quality that is the foundation of our company is given to all your needs. Each and every customer is valued; we don't take your business for granted. We at NFS, believe it is a privilege to serve you. We understand that competition has to do with pricing and services, Nationwide Freight Systems will give you the best of both worlds by going the *Extra Mile* to set us apart.
